**State Ski Tournament Was A Success**

The weekend was very warm, but the tournament went off very smoothly. A large number of skiers participated in the Kansas State Ski Tournament on the weekend of July 26-27.

- Jeannie and Connie would like to thank everyone who donated food, money and/or their time for the concession stand. The stand opened at 6:15 each morning and served breakfast, lunch, and a vast variety of food and drinks to all. Jeannie and Connie did another great job of overseeing the entire operation from beginning to the end.
- Mark B. would like to thank all those who came out and helped in the running of the tournament. Many helped in the preparation and set up of the tournament, drove boats, scored, and announced, and the all important tearing down of the ski courses. A thanks to all who helped an any and all the parts of the tournament.
- The Raffle was once again a big success with all the tournament goers. Thank you to all who participated in one way or another and especially to the Renyers who put two long hot days in keeping it running. Marvin kept many on the edge of their seats to see if they were a winner!

Shawnee Boat and Ski Club once again held a top notch tournament and everyone involved should be proud of their work. Well done!
