## Rowing Regatta -- May 2-3

If you have not already volunteered or been recruited by Fred Smith to help our neighbors at the Regatta, please do so ASAP!

## Annual Weiner Roast – May 7

.May marks the un-official beginning of the ski season. This months meeting will be back at our own shelter house. It's also the annual wiener roast: hot dogs, buns, toppings, fixings for s'mores and drinks are provided by the club. Bring a side dish to share and your table service. Dinner starts at 6:30. At 7, a very short meeting will be held, followed by activities coordinated by our Fleet Captains. If you have any ideas for fun activities you would like to do with your fellow members, the Captains would love to hear them as well! Come and enjoy fun for all ages!!

## Ks State Champions Ski Tourney – July 25-26

It's not too early to be thinking of our tournament. The committee is in full force and is just about to put final touches on t-shirt and ad book designs. We need your help in raising money by selling some ad book space. Ads start for as little as \$25. Please see Mark B. for more info regarding ad sales. Even you don't feel comfortable selling, if you have ideas for people who may want to advertise, give the name and phone number to Mark.

Tournament time = **Raffle Time**. The money raised goes to help our adopted family at Christmas. If anyone would like to help with the fund raiser please get in touch with Marvin or Theresa R. They are accepting donations of new items to be given away at the raffle. Items for men, women, and children are needed.

## Ski Show – July 4

It may seem early but we need to start everyone thinking about the annual ski show we perform for the county. We are in need of many volunteers to make the show run smoothly. We need rope wranglers, dock workers, announcer(s), and acts.

Most importantly we are looking for a volunteer or several to be Ski Show Director. Past volunteers would like to get a new perspective on the show with a new Director, but are willing to lend a hand in any way they can.

## Special Thanks

Big thanks to all that were able to help put the docks in and get the shelter house ready for another fun filled summer.
