This years volunteer appreciation pajama party was fun for all ages. Mike and Di-
anne Parker did a wonderful job smoking all of the meet and the side dishes that everyone brought to share were great also. I know because I think I tasted everyone of them. Thanks to all of the people who helped decorate the shelter house,

gather fire wood and clean up afterwards. Good food, good fun and friends, that is what the ski club is all about. I know we had more volunteers this year than just the people that attended the party, so I would like give them one more BIG Thank you and hope to see you at next years volunteer appreciation dinner.

COMMODORES CORNER

The officers have viewed several individuals that are under the age of 21 drinking alcohol at the ski club shelter house this summer. As we do not want to tell anyone how to raise their children, we do want to make sure that parents are aware of this situation. We want to make sure that all members understand that the Shawnee Boat and Ski Club, Inc. and the officers are not, and will not be held accountable for these individuals. If you as parents don't mind if your child(ren) who are under the age of 21 drink alcohol, please make sure that you are present at the ski club shelter house area during this situation and ask your child(ren) to respect this request as well.

Sincerely,
Mark Kemp
