

September 2009

### Next Ski Club Meeting

**Sept 3: 6:30 p.m. Potluck**  
(Water's Edge Report Following)

### Reminder

Be sure to check the calendar for Shelter House reservations and camping dates.

Labor Day camping starts  
Sept 4.

### Reminder

**When you leave the area—be sure to lock the rest room and storeroom doors. All members have codes they can unlock if necessary.**

## Congratulations to Ski Queen and King

At the State Ski Tournament last month, the club crowned their new Ski Queen McKensie G. and Ski King Brit H.

## Special Thank You To All Members

Because of our members' donations and volunteer time, we were able to raise \$260 for our Christmas family through the tournament raffle. Special thanks to the Marvin & Theresa R. for spearheading that effort. The concession stand was another success as we were able to raise \$600 through the efforts of Jeannie G. and her crew of volunteers.

## Tournament T-shirts

Even if you couldn't attend, but would still like to help support the club, tournament t-shirts are still available. This year's shirts are a beautiful white with blue lettering. See Mark B. for pricing and availability.

## Way To Go David

Of the four members who qualified for nationals, only David K. chose to make the trip to Florida. Congratulations to him for finishing 15<sup>th</sup> overall in Boys 3.

## Time To Vote

At the September meeting we will need to nominate and vote for next year's tournament director and ski show director, as per our by-laws.

It's also not too early to be thinking about other officer positions you might be interested in. These positions will be voted on in January and are generally a 1 year commitment. There will be plenty of opportunities for new or recycled blood to help in the leadership of our club. Please give serious consideration to being a part of the board.
